Section 1-2-201, MCA, as amended by Ch. 466, Laws of 1981, provides that:

“Every statute adopted after January 1, 1981, except those that provide for appropriation by the legislature of public funds for a public purpose, takes effect on the first day of October following its passage and approval unless a different time is prescribed therein. Every statute providing for appropriation as specified in this subsection takes effect on the first day of July following its passage and approval unless a different time is prescribed therein.”

The following is a list of specially designated effective dates for the 52nd Legislature in regular session.
